Dear Valued Customer

Re: Increase in Value – Added – Tax on 01 April 2018

On the 21st February 2018 the Minister of Finance announced that, effective from 01 April 2018, the rate of Value- Added – Tax (VAT) would increase by 1% from 14% to 15%.

Due to this Government legislated change we will, with effect from 01 April 2018, be obligated in law to charge 15% VAT, and you will note that from 01 April 2018 that all of our invoices and delivery notes will reflect VAT at the increased rate of 15%.

Your assistance is appreciated.

Yours Faithfully
