## WE ARE THE FULL PACKAGE!

LP Agencies is a long-established distributor and supplier of disposable food packaging, catering disposables and sundries, cleaning and hygiene products, as well as foodstuffs. Our business aim is to reliably and continually provide a professional service offering customers what they want when they want it.

We serve a wide range of hospitality, food processing and food service customers including caterers, fast-food outlets, coffee shops, restaurants, hotels, food manufacturers and pre-packers, event organisers, stadiums, supermarkets, canteens, office blocks, schools, churches, home industries, as well as wholesalers and distributors.

**Earthmate™ is a distributor and supplier of environmentally friendly and sustainable disposable foodservice products.**

Our aim is to increase awareness and use of these sustainable foodservice products, whilst reducing dependence on products which are less environmentally and earth friendly.

There is a noticeable trend in food packaging towards being environmentally friendly and as renewable as possible, and with Earthmate™ we are moving and assisting customers in that direction.

Earthmate™ sells and distributes biodegradable, compostable and recyclable single use foodservice products such as meal containers, hamburger boxes, plates, bowls, cutlery, straws, cups, carrier bags and other such items.

Raw materials used in the production of the Earthmate™ range vary from bagasse, PLA, CPLA, bamboo, paper and board.
